- b. CAF members must not engage in any misuse of cannabis. Any misuse will be dealt with through administrative or disciplinary action, or both;
- c. CAF members must inform their supervisor immediately if their ability to perform their duty is compromised due to cannabis consumption;
- d. CAF members are prohibited from cannabis consumption:
 - (1) 8 hours before any known or expected performance of any duty, and
 - (2) during the entire period of the working day or shift;

143/18 – PYDPO GAP PACKAGE – CANADIAN CENTRE FOR CHILD PROTECTION

Refs: A. CANCDTGEN 001/18, issued 1 February 2018

B. 4500-3 (D Cdts and JCR 6-4) Deployment of the Positive Youth Development and Program Outreach (PYDPO), 19 January 2015 (NOTAL)

C. DAOD 5019-4, Remedial Measures

1. As detailed in ref A, the National Cadet and Junior Canadian Rangers Support Group (Natl CJCR Sp Gp) has been working proactively with the Canadian Centre for Child Protection. This charitable organization is dedicated to the personal safety of all children, with a goal to reduce child victimization by providing programs and services to Canadians. They operate several programs including Cybertip.ca, Missingkids.ca, Kids in the Know, and Commit to Kids.

2. As a result of this relationship, the Canadian Centre for Child Protection have made available some of their online training. After careful review of our learning package, Positive Youth Development and Program Outreach (PYDPO), one such opportunity has been identified within the learning module on child sexual abuse, specifically regarding the grooming and luring process that can occur in child sexual abuse.

3. For all current adult leaders in the CCO who have not yet completed PYDPO (as per ref B) and for all new adult entrants to the CCO, an updated PYDPO, including access to Commit to Kids: Helping Organizations Prevent Child Sexual Abuse, has been launched in the Defence Learning Network (DLN).

4. As directed in refs A and B, all adult leaders who completed PYDPO prior to 1 Feb 18 are required to complete the relevant portion of the online learning program, Commit to Kids: Helping Organizations Prevent Child Sexual Abuse. To access the training, log onto the DLN and search for “%PYDPO - Gap Package”. Enroll yourself in the package, "PYDPO – Gap Package – Luring and Grooming" and follow the instructions to access training. In order to complete the training, it required that both the seven slide orientation in the DLN plus the Commit to Kids: Helping Organizations Prevent Child Sexual Abuse module be completed. As with any subject of a sensitive nature, you are encouraged to practice self-care while participating in the online module.

5. Annex D is a list of members whose record does not indicate completion of the PYDPO Gap Package. If a member whose name is included on this list has completed the required training, a copy of the completion certificate is to be mailed to RCSU (Pac) or submitted via email to RCSUPAC.OR@forces.gc.ca. Members who are required to complete the PYDPO Gap package and who have not yet complied with this order must do so as soon as possible. Failure to complete the training will result in members being placed on remedial measure in accordance with ref C.

(J1)

144/18 – FILE REPOSITORY VS SHAREPOINT

1. The File Repository has been the location of several documents, references and resources for members working in support of the CCO. Over the past several months, we have been transitioning these documents, references and resources to SharePoint on CCO Net. As this transition progresses, fewer items will be found on the File Repository as SharePoint will be our communication platform.
2. The File Repository will continue to exist, however, its focus will shift to being a location for information to be accessed primarily by cadets, parents/guardians, sponsors and Leagues members.

(J6)

145/18 – RECOVERY OF COMMUTING ASSISTANCE OVER ALLOWABLE LIMIT

Refs: A. CBI 209.045 – Transportation Assistance for Reserve Force Personnel on Class A Reserve Service

B. RCSU (Pac) Routine Order 5/18 entry 088/18 dated 1 May 18

3. On 1 Jun 17, Treasury Board (RB) revised CBI 209.045(3) (Amount of Assistance) to read “The amount of the assistance payable for each one way trip between the member’s worksite and the member’s residence is determined by the formula: $[(A - 16) \times B]$ where A is, to a maximum of 100 kilometres, the direct road distance between the member’s residence and their worksite; and B is the kilometric rate - for the location of the worksite - as set out in ‘Appendix A - Lower Kilometric Rates’ of the National Joint Council Commuting Assistance Directive, as amended from time to time”. This instruction came into effect 1 Sep 17.
2. RCSU (Pac) had previously been paying unlimited TAA to eligible members who claimed it on their pay sheets. Even after the revised CBI came out we had been allowing a maximum of 200 kms to be claimed for a return trip, believing that “a maximum of 100 kilometres” each way was the claimable amount.
3. The CBI is very clear, however, that the maximum 100 kms one way must be decreased by the 16 km minimum distance threshold to make the administration of TAA eligible. This results in the maximum kilometres payable for a one-way trip being 84 kms, and for a return trip, 168 kms.
4. RCSU (Pac) is obliged to review TAA claims back to 1 Sep 17 when the instruction became effective and recover amounts which exceed the allowance. Members to whom this adjustment applies will see these transactions appear on their upcoming pay statements.

(J1 HRO)

146/18 – REINSTATEMENT OF ABSEIL ACTIVITIES

1. On 28 Aug 18, the CO RCSU (Pac) reinstated Abseil activities for Regionally Directed and Local Training activities for the Army Cadet program.
2. Corps wishing to conduct an Abseil activity will need to familiarize themselves with the new SOP and Interim Direction before planning an Abseil activity and submitting a CSAR to their respective Training Support Coordinator. Corps may request to use Abseil equipment from RCSU (Pac) but the expectation is that a Cadet Corps will purchase and maintain their own Abseil equipment in the future as RCSU has limited abseil equipment available.
3. Abseil activities may be conducted on all CAF Certified Rappel Towers and Engineered Structures within Pacific Region. Currently Pacific Region has received one request for approval of a non-DND Abseil training site which is currently being considered.
4. Information will be posted on SharePoint regarding approved abseil sites, pending abseil training sites, current certified abseil instructors and all current policies and amendments under the Army folder.
