Annex A contains a list of personnel who must renew their RS prior to the due date indicated, a list of personnel who have passed the RS update deadline and have been directed to cease all cadet activities including voluntary duty/support and a list of personnel who are authorized to return to duties as their RS has been approved.

(J1 Staffing O)

117/18 – REPORT OF ARREST BY CIVIL AUTHORITY

In accordance with QR&O 19.56, where an officer or non-commissioned member has been arrested by a civil authority, the member shall cause the arrest to be reported to the RCSU (Pac) Commanding Officer.

(J1)

118/18 – CORPS/SQUADRON OFFICIAL POPULATION AND ESTABLISHMENTS

1. Annex C provides the corps/squadron official population and establishments for the current training year.
2. In cases where a corps/squadron's establishment has decreased since last training year, RCSU (Pac) staff will be working with the corps/squadron to determine any required action.

(J1)

119/18 – INACTIVE MEMBERS

Ref: CF Mil Pers Instr 20/04

1. There are a number of COATS members who have not provided service for an extended period of time and have been identified as non-effective strength (NES). In accordance with ref, a Reserve Force member shall be declared NES when their unauthorized absence from duty has exceeded 30 days, during which time no fewer than three duty periods were conducted by the unit. A period during which a member has been declared NES does not count toward qualifying service for promotion, incentive pay or Canadian Forces' Decoration or clasp.
2. The J1 staff will be actively identifying members who are to be declared NES. Therefore, when a member is unable to continue with their duties, the member should be proactive in seeking an administrative option that meets their situation. There are a number of options available:
 - a. Exempt Duty and Training (ED&T): ED&T is a status which may be requested by a member who is temporarily unavailable to continue Reserve Service. A period of ED&T can range from 30 days up to 365 days or more in some circumstances. ED&T does not count toward qualifying service for promotion, incentive pay, and Canadian Forces Decoration (CD) or clasp. Corps / Squadron Commanding Officers are not the approval authorities for ED&T requests. All requests must be sent to RCSU (Pac) for approval by either the CO RCSU (Pac) or the Formation Commander, depending on the length of time requested;
 - b. Exempt Duty and Training (Maternity / Parental) (ED&T (MATA/PATA)): A member who wishes to request a period of absence for maternity or parental leave purposes may request to be placed on ED&T (MATA/PATA). In order to receive a benefit during a period of ED&T (MATA/PATA), a member must have accumulated the equivalent of 600 hours of paid service. Members who do not have 600 hours of paid service may still be placed on ED&T (MATA/PATA) in order to ensure they are not declared NES. Unlike ED&T, while on a period of ED&T (MATA/PATA), qualifying service continues to be calculated;
 - c. Supplementary Reserve (Supp Res): The Supp Res is a sub-component of the Reserve Force (Res F). A COATS member may be transferred to the Supp Res when the member is unable to continue service with a corps / squadron or establishment for an extended period of time. Should the member later become available for service, he / she may request transfer from the Supp Res to a corps / squadron or other establishment. Members may be held in the Supp Res for up to 5 years and time in the Supp Res does not count toward qualifying service for promotion, incentive pay, and CD or clasp. The Compulsory Retirement Age (CRA) for the Supp Res is 60. Officer Cadets cannot be transferred to the Supp Res; and
 - d. Voluntary Release: A COATS member may request voluntary release from the CAF at any time.

3. In order to request any of these administrative option, a member is to send an email to the RCSU (Pac) J1 section at: RCSUPac.OR@forces.gc.ca. Be sure to include your service number as well as an effective date for the transaction that you are requesting.

4. When a member is declared NES, they will be sent a letter outlining their options to either become active, request ED&T, request transfer to the Supp Res or request voluntary release. Should the member not choose to take action to effect any of these options and instead remain NES, they will be processed for release under item 5(f), Unsuitable for Further Service.

5. Any questions regarding any of these administrative processes may be directed to the J1 HRO, Lt(N) J. Stewart, at 250-363-0964 or Jennifer.Stewart2@forces.gc.ca.

120/18 – CADET INSTRUCTOR SUPPLEMENTARY STAFF (CISS)

Refs: A. CATO 23-25

B. CF Mil Pers Instr 20/04

1. The CISS establishment is managed by the RCSU (Pac) and provides members who are unable to commit to parading with a corps, squadron or other establishment with an opportunity to remain active within the organization. Posting to the CISS establishment is based on both the member's ability to continue to provide meaningful service and organizational need.

2. In accordance with ref A, members held against the CISS establishment are required to serve a minimum of 7 paid days in a consecutive 12-month period, from their initial posting date annually. Members are responsible to seek service opportunities; a member's offered service may be approved or declined by the chain of command based on the member's suitability for the specific task and / or the organization's need.

3. In order to ensure that members serving on the CISS establishment understand and acknowledge their service obligations, all members are to complete a Cdt #189, CISS Terms of Service Acknowledgement form at the time of requesting a posting to CISS. When completing the Cdt #189, the member is to indicate a realistic plan to meet the obligation of 7 days of paid service.

4. Personnel on the CISS establishment who are unable to meet the minimum requirement of seven paid days of service annually may request to be placed on Exempt Duty and Training (ED&T), to be transferred to the Supplementary Reserve (Supp Res) or voluntarily release. Failure to meet the requirement for 7 paid days of service and not requesting ED&T, transfer to Supp Res or release will result a member being declared non-effective strength (NES) in accordance with ref B.

121/18 – RECOVERY OF COMMUTING ASSISTANCE OVER ALLOWABLE LIMIT

Ref: A. CBI 209.045 – Transportation Assistance for Reserve Force Personnel on Class A Reserve Service

B. RCSU (Pac) Routine Order 5/18 entry 088/18 dated 1 May 18

1. On 1 Jun 17, Treasury Board (RB) revised CBI 209.045(3) (Amount of Assistance) to read "The amount of the assistance payable for each one way trip between the member's worksite and the member's residence is determined by the formula: $[(A - 16) \times B]$ where A is, to a maximum of 100 kilometers, the direct road distance between the member's residence and their worksite; and B is the kilometric rate - for the location of the worksite - as set out in 'Appendix A - Lower Kilometric Rates' of the National Joint Council Commuting Assistance Directive, as amended from time to time". This Instruction became effective 1 Sep 17.

2. RCSU (Pac) pay had previously been paying unlimited TAA to eligible members who claimed it on their pay sheets. Even after the revised CBI came out we had been allowing a

maximum of 200 kms to be claimed for a return trip, believing that the “to a maximum of 100 kilometres” each way was the claimable amount.

3. The CBI is very clear, however, that the maximum 100 kms one way must be decreased by the 16 km minimum distance threshold to make the administration of TAA eligible. This results in the maximum kilometers payable for a one-way trip being 84 kms, and for a return trip, 168 kms.

4. RCSU (Pac) pay is obliged to review TAA claims back to 1 Sep 17 when the instruction became effective and recover amounts which exceed the allowance. Members to whom this adjustment applies will see these transactions appear on their upcoming pay statements.

(J1 HRO)

122/18 – CORPS/SQUADRON PAY

1. An updated DND 2893, COATS – Class “A” Reserve Service Attendance and Transportation Assistance Allowance Register form for Corps/Squadron Local Training pay has been added to the Forms section of SharePoint for the 2018-2019 cadet training year. Refer to page 2 of the form for instructions on the completion of the form.

2. All payroll inquiries and submission of DND 2893 forms are to be sent to the positional email account: RCSUPacPay@forces.gc.ca.

3. Please ensure that all scanned or photographed DND 2893s are clean, clear and fitted to either 8.5 x 11” or 8.5 x 14” paper. Submissions that are not clear or are cut off may need to be rejected and emailed back to sender.

(J1 HRO)

123/18 – REQUESTING SPECIALIST INSTRUCTOR SUPPORT

Ref: CATO 21-03

1. IAW ref, each corps/squadron is allocated a maximum number of specialist days per training year. The number of days is equal to the authorized number of paid staff for that training year (i.e. if a corps/squadron has a paid establishment of 6 officers, that corps/squadron has an allocation of 6 specialist days).

2. These days can be used to pay a COATS member including members on the CISS establishment, a PRes member or a Civilian Instructor. A member on strength at a corps/squadron cannot collect specialist pay at their corps/squadron, but may be authorized to provide specialist support outside their corps/squadron. Specialist days are not to be used to do administrative or general tasks.

3. Corps/Squadron Commanding Officers are to submit requests for approval of specialist instructors to their Zone Training Officer, preferably by email. Requests are to be submitted in advance of an activity, not after. The Zone Training Officer will review the request and, if supported, forward to the J1 HRO for final approval. The J1 HRO will then provide final financial approval and instructions via email on how to submit the required paperwork for pay processing.

124/18 – CALL FOR NOMINATIONS – REGIONAL AND FORMATION HONOURS

Refs: A. PRCI 212

B. Natl CJCR Sp Gp Order 5027-0

1. The purpose of Regional and Formation level honours is to recognize the contributions of individuals whose service or actions bring credit to the corps/squadron, RCSU (Pac) or to the Canadian Cadet Organizations (CCO) as a whole. These individuals do not necessarily have to

be a cadet or CAF member, they can also be a deserving volunteer or supporter to the CCO. More information about criteria for various honours and awards can be found in refs.

2. Nominations can be submitted using a Cdt #175, found in the File Repository, and should be accompanied by any supporting documentation. All nominations must be submitted to the J1 Services Officer, in confidence, NLT 30 Sep 18.

3. Should further information or clarification be required, contact the J1 Services Officer, Capt Lacey, at 250-363-0806.

(J1 Svcs O)

125/18 – FORTRESS ANNUAL VERIFICATIONS

1. All corps/squadron staff must ensure that the Annual Validation Form, which is generated through FORTRESS, is completed by all returning cadets not later than 30 Nov 18. The Annual Validation Form must be completed prior to a cadet being able to submit a Participation Application.

2. In addition, those returning cadets who require a Detailed Medical Verification must complete a DND 2570, Detailed Health Questionnaire (DHQ) and submit that form to the RCMLO. The following points are to be noted with regard to DHQs being submitted to the RCMLO:

- a. the due date for all DHQs for returning cadets is 30 Nov 18. Although the RCMLO will continue to process late returns up to 31 Jan 19, it must be noted that after that date, only DHQs for new enrollees or for current cadets reporting a new medical condition will be accepted. This means that returning cadets who require a DHQ and who do not submit one by 31 Jan 19 will not be eligible for CTC selection;
- b. DHQs must be printed from FORTRESS so that the “tombstone” data is printed onto the form – those that have handwritten information in sections 1 and 2 will not be processed as they are too frequently incomplete or illegible;
- c. DHQs must be signed by the parent/guardian and not the cadet. There are no exceptions, regardless of the age of the cadet;
- d. only the current version of the DHQ will be accepted;
- e. photocopies, scanned or faxed versions of the DHQ will not be accepted;
- f. if corps/squadron staff become aware of a new medical condition, a new DHQ will be required; and
- g. if possible, corps/squadron staff should provide a pre-addressed envelope with the DHQ so parents/guardians may mail the DHQs directly to the RCMLO at:

Regional Cadet Support Unit (Pacific)
Attn: RCMLO
PO Box 17000 Stn Forces
Victoria, BC V9A 7N2

3. The DHQ process is intended to protect cadets from participating in activities that may not be compatible with their medical conditions and also to protect the corps/squadron staff as well as the CCO from liability which may result from allowing a cadet to participate in an activity that aggravates or worsens a medical condition. Participation Limitations assigned to a cadet through this process are to be respected during local training activities as well as CTC training.

127/18 – RE-INSTATEMENT OF ABSEIL ACTIVITIES

1. On 28 Aug 18, the CO of RCSU (Pac) re-instated Abseil activities for Regionally Directed and Local Training activities for the Army Cadet program.

Corps wishing to conduct an Abseil activity will need to familiarize themselves with the new SOP and Interim Direction before planning an Abseil activity and submitting a CSAR to their respective Training Support Coordinator. Corps may request to use Abseil equipment from RCSU (Pac) but the expectation is that a Cadet Corps will purchase and maintain their own Abseil equipment in the future as RCSU has limited abseil equipment available.
3. Abseil activities may be conducted on all CAF Certified Rappel Towers and Engineered Structures within Pacific Region. Currently Pacific Region has received one request for approval of a non-DND Abseil training site which is currently being considered.
4. Information will be posted on SharePoint regarding approved abseil sites, pending abseil training sites, current certified abseil instructors and all current policies and amendments under the Army folder.

Beginning 17 Oct 18, cannabis will be legal for recreational use by adults in Canada, and the new policy was developed to foster a safe and healthy workplace for all members of the Defence Team, and to ensure that the Canadian military remains a fit, deployable, and effective force by establishing periods of prohibition for the consumption of cannabis for the military. Every member of Pacific Region is strongly urged to read and fully understand the contents of the policy.
