204/16 – MESSAGE FROM THE CDS ON THE STATISTICS CANADA SURVEY INTO SEXUAL MISCONDUCT IN THE CAF

From General J.H. Vance, Chief of the Defence Staff:

“Earlier this year, I commissioned Statistics Canada to conduct a survey into sexual misconduct and sexualized behaviour within our ranks. More than 43,000 of us responded to this survey, the results of which were released earlier today. They indicate:

- Rates of sexual assault within our ranks are reported to be twice that of the general population;
- More than a quarter of all female Regular Force members report they have experienced similar incidents at some point in their career;
- Victims are predominantly younger and more junior in rank;
- And these issues are consistent across every environment and command.

These results affirm what the Deschamps report told us two years ago. They affirm what I’ve known since I took command of the Canadian Armed Forces: harmful sexual behaviour is a serious problem within our ranks. This is undeniable. It is absolutely critical that we carry on with our efforts to eliminate it.

These survey results will help us do just that. We will use the intelligence we’ve gathered on Operation HONOUR to target our efforts where they’re most needed. In particular, we now know more about where the perpetrators of harmful sexual behaviour are often found within our ranks.

I have targeting information now. And I will use it to target the minority of our members who continue to disobey my orders by harming their comrades.

As for the vast majority of you who understand the wisdom of what we are trying to accomplish, know that I am more motivated than ever to eliminating this behaviour permanently. Operation HONOUR will not only continue; we will intensify our efforts so that the next time we survey our members, we will be able to look back and see improvements.

The Strategic Response Team on Sexual Misconduct will be analyzing the results of this survey, and I encourage you to read them for yourself at the following link:

<http://www.statcan.gc.ca/daily-quotidien/161128/dq161128a-eng.htm>. Talk to your peers and your chain of command. Use this information to refine your own thinking, just as you would on any other operation.

I will update you again on these efforts in the coming months.”

205/16 – SURVEY ON SEXUAL MISCONDUCT IN THE CAF

1. The survey results which the CDS is referencing in his message above are from a survey that was completed by Reg F and P Res members. More recently, a survey has been initiated for all COATS members to complete. All CCONet users should have received an email inviting

them to participate in the Survey on Sexual Misconduct in the Canadian Armed Forces (SSMCAF).

2. This survey is an initiative of Operation HONOUR. We hope that you will see this survey as an opportunity to communicate your views.
3. The purpose of this survey is to collect information about:
 - a. the prevalence and nature of inappropriate sexual behavior within the Cadet Organizations Administration and Training Service (COATS);
 - b. the reporting of inappropriate sexual behavior to authorities; and
 - c. COATS members' perception of the CAF's response to this issue.
4. Your contribution is important because the information you provide will be used to develop programs and services to better address this issue. The information that you provide may also be used for other statistical and research purposes.
5. Please use the following link to complete the SSMCAF in your preferred language (in the top right hand corner of the page, you can select the language of your choice: <http://dgmpra-dgrapm.sondages-surveys.ca/s/SexualMisconduct-COATS/>)
6. This survey has been approved and coordinated through the Director General Military Personnel Research and Analysis Social Science Research Review Board, in accordance with DAOD 5062-0 and DAOD 5062-1. Approval Number: 1598/16N.
7. Please feel free to email cadet-info@forces.gc.ca if you have any questions regarding this survey.

209/16 – CLOSURE OF RCSU (PAC)

1. Please note that all RCSU (Pac) staff will be attending a Professional Development Day on Friday, 2 December 2016 and therefore the RCSU (Pac) will be closed for the full day.

2. The Christmas / New Year's block leave period for RCSU (Pac) will be 17 Dec 16 – 8 Jan 17 inclusive. While some staff will continue to work for portions of this time period, most staff will be away during the holiday season.

210/16 – ADMINISTRATION TIPS

1. In the recent reorganization of RCSU (Pac), the responsibility for processing of pay transferred to the J1 Administration section. In an effort to streamline the pay process, we have encouraged the use of email submission for the DND 2893, COATS – Class “A” Reserve Service Attendance and Transportation Assistance Allowance Register. However, in the process of implementing this new method of submission, a number of challenges have been faced and your assistance in addressing these will help to ensure your pay is processed efficiently:

- a. large scan sizes – a number of scans that are being received are extremely large which has caused our email inbox to reach its capacity quickly and then “bounce” emails back as a result. Where possible, decreasing the size of a scan (i.e. reducing the resolution) will assist greatly;
- b. poor quality – some documents are being submitted with very poor scan quality and are illegible. Others are scanned such that only a portion of the form is included. Partial or illegible forms cannot be processed, therefore, it would be of benefit to verify the quality of a scan before sending it to the RCSU (Pac);

- c. missing signatures – as with all forms, it is important to ensure that pay sheets are fully completed prior to submission. This includes ensuring that the member has signed for each date attended in Part 3 and those dates which are being designated as paid are initialed by the OIC. For a corps/squadron CO, the OIC column may be initialed by another staff member. The Part 5 - Certification of service is often being left unsigned – it is to be signed by the OIC or if it's a pay sheet for a corps/squadron CO, then another staff member is to sign;
- d. outdated form – our financial coding has recently changed and therefore the DND 2893 that is online has been updated. Using the older version of the form with outdated financial coding causes the RCSU (Pac) staff to have to amend the form which is time consuming. Using the current form that is available in the File Repository helps to ensure that pay can be processed as quickly as possible at the RCSU (Pac); and
- e. multiple submissions – if pay sheets are submitted by email, please do not follow up with mailing the same pay sheets into the RCSU (Pac). Although we will identify that the forms are duplicates, this takes staff time.

2. The J1 Administration section processes approximately 800 pay sheets for each pay run so your assistance in ensuring that submissions are meeting the requirements above will help to ensure that we can continue to provide timely pay. The clerks who are working to process your pay are very diligent in ensuring that pay is processed quickly and accurately.

3. As it is understood that many members wish to confirm that their pay sheets have been received, we are working on a process that will electronically acknowledge receipt of the pay sheets and eliminate the need for members to call into the RCSU (Pac) to make these inquiries. Additionally, it is requested that members refrain from calling the RCSU (Pac) routinely to ask about the amount of pay that they will be receiving as responding to the volume of enquiries of this nature is becoming extremely time consuming and keeping the staff from being able to focus their time on processing of pay.

211/16 – CADET INSTRUCTOR SUPPLEMENTARY STAFF (CISS)

Refs: A. CATO 23-25
B. CF Mil Pers Instr 20/04

1. The CISS establishment is managed by the RCSU (Pac) and provides members who are unable to commit to parading with a corps, squadron or other establishment with an opportunity to remain active within the organization. Posting to the CISS establishment is based on both the member's ability to continue to provide meaningful service and organizational need.

2. In accordance with ref A, members held against the CISS establishment are required to serve a minimum of seven paid days in a consecutive 12-month period, from their initial posting date annually. Members are responsible to seek service opportunities; a member's offered service may be approved or declined by the chain of command based on the member's suitability for the specific task and / or the organization's need.

3. In order to ensure that members serving on the CISS establishment understand and acknowledge their service obligations, the Commanding Officer has directed that all members complete a Cdt #189, CISS Terms of Service Acknowledgement form. Therefore, all members currently on the CISS establishment will be receiving a letter and the form in the near future, and they will be required to complete the Cdt #189 and return it to RCSU (Pac).

4. Personnel on the CISS establishment who are unable to meet the minimum requirement of seven paid days of service annually may request to be placed on Exempt Duty and Training (ED&T), a transfer to the Supplementary Reserve (Supp Res) or voluntary release. Failure to meet the requirement for seven paid days of service and not requesting ED&T, transfer to Supp Res or release will result a member being declared Non-Effective Strength (NES) in accordance with ref B.

5. Personnel wishing to request transfer to the CISS establishment will be required to complete the Cdt #189 at that time.

212/16 – SUBMISSION OF PRC/VSS FOR ENROLMENT APPLICATION FILES

1. A new process is being implemented at the Canadian Forces Recruiting Centres with regard to submission of the Police Records Check / Vulnerable Sector Screening (PRC/VSS). In the past, applicants have been directed to submit the PRC/VSS with the CF 574 to the RCSU (Pac) for onward transmission to the CFRC. Effective immediately, all PRC/VSS are to be submitted directly to the CFRC either:

- a. from the police agency conducting the PRC/VSS; or
- b. from the applicant after receiving the PRC/VSS back from the police agency.

2. Any PRC/VSS already submitted to the RCSU (Pac) in support of an enrolment file will be forwarded to the CFRC and no additional action should be required from the applicant.

213/16 – CALL FOR NOMINATIONS – CAF NATIONAL HONOURS

Ref: PRCI 212

1. The purpose of the CAF Honours and Recognition is to ensure individuals are appropriately recognised for all meritorious acts, deeds and achievements. To this end, a call for CAF nominations is being made to help identify deserving members. More information about these awards can be found in PRCI 212.

2. Nominations can be submitted using a Cdt #175, found in the file repository. Please ensure files are complete (including a Cdt #175 with narrative and supporting documentation) so that they can be staffed for review by the Natl CJCR Sp Gp. Incomplete nominations may not be reviewed by Honours and Awards Recognition Committee. All nominations must be submitted to the J1 Services Officer, in confidence, NLT 9 Jan 17.

3. Should further information or clarification be required, contact the J1 Services Officer at Gordon.Scott@forces.gc.ca.

214/16 – IMPLEMENTATION OF THE BC SERVICES CARD

1. With the implementation of the BC Services Card, a number of corps and squadron staff have noted that an expiry date is now indicated on the card and this expiry date is being entered into FORTRESS in relation to a cadet's Medical Services Plan (MSP). Doing this will require an update in FORTRESS when the expiry date is reached.

2. As an individual's enrolment in the MSP does not expire, it is strongly recommended that the expiry date field in FORTRESS continue to be left blank in order to save unnecessary administrative work in the future.

(J1 Svcs O)

215/16 – CTC POSITIONS 2017 – COATS MEMBERS AND CIVILIAN INSTRUCTORS

1. Applications for 2017 Cadet Training Centre (CTC) positions are now being solicited. Members of the COATS and (potential) Civilian Instructors are invited to apply for positions at a CTC. Specific CTC positions are located in Annex A. All vacancies and dates must be regarded

All adult staff must have an approved Police Record Check/Vulnerable Sector Screening (PRC/VSS), a favourable Reliability Screening (RS), and a valid medical with no significant medical employment limitations. Late applicants shall be disadvantaged and may result in the member not being considered for Reserve Service during the initial selection process.

4. RCSU (Pac) will notify all applicants by e mail when their applications have been received.

5. Questions may be directed to Lt(N) Jennifer Stewart, J1 Staffing Officer, by email at rcsupacstaffing@forces.gc.ca or by phone at 250-363-0919.
