101/18 – OUTSTANDING STAFF CADET BANKING PAPERWORK

1. In order for Staff Cadet pay to be processed, RCSU (Pac) requires that all staff cadets for summer 2018 provide a completed TD1 as well as a void cheque or direct deposit form from their bank. All staff cadets have been advised of this requirement via email, however, a number

of returns remain outstanding. Annex C provides a list of Staff Cadets for whom banking and / or tax paperwork is still outstanding. Clear photo images can be sent if scanning of the documents is not possible. It is important that the full TD1 form be completed on both sides including the signature and date on the second page.

102/18 – RECOVERY OF COMMUTING ASSISTANCE OVER ALLOWABLE LIMIT

Refs: A. CBI 209.045, Transportation Assistance for Reserve Force Personnel on Class A Reserve Service

B. RCSU(P) Routine Order 5/18 entry 088/18 dated 1 May 18

1. On 1 Jun 17, Treasury Board revised CBI 209.045(3) (Amount of Assistance) to read “The amount of the assistance payable for each one way trip between the member’s worksite and the member’s residence is determined by the formula: $[(A - 16) \times B]$ where A is, to a maximum of 100 kilometers, the direct road distance between the member’s residence and their worksite; and B is the kilometric rate - for the location of the worksite - as set out in ‘Appendix A — Lower Kilometric Rates’ of the National Joint Council Commuting Assistance Directive, as amended from time to time”. This instruction became effective 1 Sep 17.

2. RCSU (Pac) had previously been paying unlimited TAA to eligible mbrs who claimed it on their pay sheets. Even after the revised CBI came out, we had been allowing a maximum of 200 kms to be claimed for a return trip, believing that the “to a maximum of 100 kilometres” each way was the claimable amount.

3. The CBI is very clear, however, that the maximum 100 kms one way must be decreased by the 16 km minimum distance threshold to make the administration of TAA eligible. This results in the maximum kilometres payable for a one-way trip being 84 kms, and for a return trip, 168 kms.

4. RCSU (Pac) pay is obliged to review TAA claims back to 1 Sep 17 when the instruction became effective and recover amounts which exceed the allowance. Members to whom this adjustment applies will see these transactions appear on their upcoming pay statements.
